Dear Parents,

From time to time throughout the current school year, classrooms will be taking field trips. These field trips enhance the children's educational learning experiences. Students may take buses, travel by private car or may walk to reach their destination.

On the form below, we need written permission for your child to participate in these field trips. This form gives your child permission to attend all field trips during the school year. You will be notified in advance of scheduled field trips. **Students who do not return this form will not be allowed to attend classroom field trips.**

If you have any questions or concerns regarding the field trip policy, please contact the school. Thank you for your cooperation in this matter.

Respectfully,

Laura Lausch
River School Principal

** If as a parent/guardian you would like to drive on your students field-trips the school will need a copy of your drivers license and proof of insurance.

I give permission for my child _____ grade _____
