SUBJECT: Notification of Asbestos for 2020-2021

Notification of AHERA Regulation:

Asbestos Hazardous Emergency Response Act (AHERA) of 1987

In October of 1987, the U.S. Congress passed the Asbestos Hazardous Emergency Response Act (AHERA) of 1987. In March of 1988, the Administration approved BDN of Portage, Michigan to help the district meet the new federal regulations.

The Berrien RESA School District has been and is in compliance with all AHERA regulations.

The Berrien RESA School Districts have been inspected and materials tested for asbestos by BDN Consultants in accordance with the new AHERA regulations. In accordance with the above a management plan has been developed and has been sent to the State of Michigan for approval. The management plan for all buildings can be reviewed at the Administration Building, Berrien RESA or individual building management plans can be reviewed in the office of that building.

The Berrien RESA School Districts will begin conducting response actions and abatement actions during the next year. In accordance with AHERA regulations, schools will be conducting six months periodic inspections. The three-year re-inspection of the total school system will be completed in 2022.

SUBJECT: Notification of Asbestos 2020-2021

The District is required by AHERA to make periodic surveillance of Asbestos Containing Building Materials. During the past year this process has shown no significant change in the condition of ACBM.

Please be advised that the District's Management Plan which identifies all affected areas is available for your review in the main office at River School.

Should you have any questions or concerns regarding ACBM, please contact me at (269) 471-7725 Ext. 1221 or doug.montey@berrienresa.org.
