School of Choice Program 2022-2023

Dear Parent/Guardian,

Thank you for your interest in Sodus Township School District #5 (River School). The application(s) you are requested are enclosed. Sodus Township S/D #5 is a "Schools of Choice" school district. This means students who live in the Berrien County ISD, Van Buren County ISD or Lewis-Cass ISD may apply for admission to Sodus Township School District #5 (River School) without having to receive permission from their resident district. Once a student is accepted in the program, they may continue for the balance of their K-12 education if there is no break in enrollment including expulsion. If the student leaves and wants to return, they will have to reapply. In addition, the district will give a preference for enrollment to other school age children residing in the same household with any "Schools of Choice" student who attended a district school during the preceding year.
